# Purpose

Our annual sponsorship program provides space industry companies and organizations with year-round branding, visibility, and engagement opportunities across Space ISAC's events, communications, and member activities. A great opportunity to partner with the space communities!

By becoming an annual sponsor, your organization will:

- Strengthen brand recognition within the global space industry.
- Demonstrate thought leadership in space security, innovation, and collaboration.
- Build relationships with government, commercial, and academic leaders.
- Gain exclusive access to Space ISAC members and the broader community.
